

Defensive Driving Course

NSC Driver Safety Training

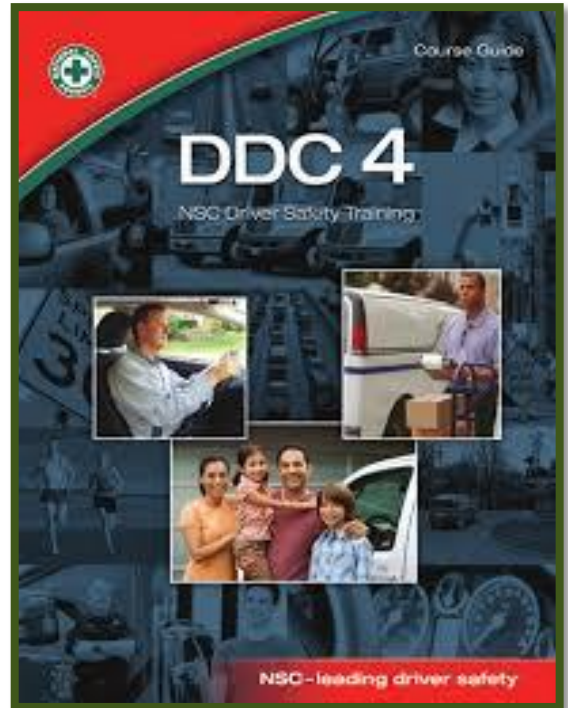

Defensive Driving Course (DDC) is an abbreviated yet engaging course reinforcing good driving skills and habits. The 4-hour course offers practical strategies to reduce collision-related injuries, fatalities and costs associated with motor vehicle crashes.

This course is not for ticket dismissal or insurance premium discount. It is a driver safety course targeted to those who drive a vehicle.

What participants will learn as a result of taking the training:

- Acquire the basic knowledge and techniques to recognize potential hazards.
- Skills and techniques to avoid collisions.
- Change driver behind-the-wheel behaviors and attitudes.
- Techniques for dealing with speeding, distracted driving, impaired driving, hazardous traffic conditions and more.

At the end of the training, participants will receive an NSC certificate, via email, from the City of Plano Risk Management Department.

Course will be held at the
Plano Joint Use Facility,
7501-A Independence Parkway,
Wes Hardy Room

February 22, 2019
(8:00 A.M. — 12:00 P.M.)
